## ISB2011 • WELCOME

Brussels, the Capital of Europe, will be proud to host the **XXIIIrd** Congress of the International Society of Biomechanics in 2011. Located at the very heart of Europe, Brussels offers many top attractions for leisure and cultural activities.

ISB2011 will take place on the joined downtown Brussels campus of the Vrije Universiteit Brussel and Universit  Libre de Bruxelles.

We will be happy to welcome scientists and professionals from the various disciplines related to biomechanics, to which we will propose a high quality scientific program and enjoyable stay in Brussels.

ISB tutorials will be the opportunity for students and young scientists to enrich their knowledge on cutting-edge topics of biomechanics.

The Congress will feature outstanding keynote lecturers, the traditional Wartenweiler Memorial Lecture, exciting award contests, as well as oral and poster presentations.

The spirit of the Conference will emphasize the multi-disciplinarity of our research area and integrated research as a cornerstone in this interaction between disciplines.

The Congress, together with a fine social program, shall be a cordial place to strengthen bonds between biomechanists around the world.

### Important dates

- Paper submissions start: November 2010
- Registration Form: November 2010
- Deadline for submission of abstracts: January 20th, 2011
- Abstract decision notification: March 31st, 2011
- Tutorials: July 3rd, 2011
- Congress days: July 3rd – 7th, 2011

July 3 • 7 2011

Brussels • Belgium

International Society of Biomechanics

### Call for abstracts

Abstract submission will be online only ([www.isb2011.org](http://www.isb2011.org)). Contributors with accepted oral and poster presentations, will be requested to submit a 2-page abstract (1 page text and 1 page of figures and tables) for the proceedings and a short mini-abstract (250 words plus one figure or table) for the program book. All guidelines for abstract preparation are available on the ISB2011 website. To ensure appropriate preparation of conference material, we kindly request that all contributors comply with these guidelines. Please also note that the deadline for abstract submission is strictly January 20<sup>th</sup>, 2011.

### Scientific themes

The scientific program of ISB2011 will articulate around six approaches (Anatomy-oriented, Physiology-oriented, Clinically-oriented, Integrated research, Bioengineering, Modelling & Methods) that characterize research in biomechanics. Please check the ISB2011 website for the list of topics.

### Registration

Registration fees		
	Before April 30th, 2011	After April 30th, 2011
Member <sup>1</sup>	400 €	430 €
Non member	475 €	505 €
<b>Student</b>		
(member) <sup>1,2</sup>	280 €	310 €
(non member) <sup>2</sup>	310 €	340 €

<sup>1</sup> Financial Member of ISB

<sup>2</sup> Student rate requires presentation of a valid full time Student ID at conference badge pick-up.

The fee will be charged in Euro (€). Please register through the online registration system that will be available through [www.isb2011.org](http://www.isb2011.org).

Fees include meeting attendance, congress bag with the program book and all related documents (certificates of payment and attendance, badge etc.), lunches and coffee breaks, welcome reception on July 3rd, Belgian specialty events during poster sessions, banquet on July 7th and public transportation card for Brussels. Travel and accommodation are not included (please refer to ISB2011 website for information regarding accommodation).

Upon request, a letter of invitation will be sent.

Please contact **Steven Provyn** for sponsoring and | or partnership opportunities :
